Friends of Hazelhurst

Ben and Hazel Broadhurst were generous, community-minded people who bequeathed their 1946 estate to the people of the Sutherland Shire.

Friends of Hazelhurst was established in 1995 to support the realisation of a community arts centre and gallery in southern Sydney. This became a reality in 2000 when, after much community consultation, the substantial commitment of the Sutherland Shire Council and added support from the Federal Government, Hazelhurst Regional Gallery and Arts Centre was opened.

Today the Friends make a vital contribution to the life and success of Hazelhurst.

All funds raised by the Friends return to the gallery.
