# President's Report

Dear Friends,

The curators and preparators at the gallery have done an amazing job selecting and hanging the 2022 HSC student's artworks in *ARTEXPRESS*. It's amazing how students with little knowledge of artmaking

produce stimulating, decorative and thoughtful artworks in a variety of subjects and mediums. If you are thinking of embarking on an art or craft-making project you will find this exhibition inspirational. What these students show is persistence, a willingness to experiment and a don't give up attitude. All these attributes will hold them in good stead as they navigate their way through life as an adult. I highly recommend you gather family and friends to visit *ARTEXPRESS*.

Every year the Friends committee choose one local HSC student in Hazelhurst *ARTEXPRESS* to be the recipient of the Friends of Hazelhurst Encouragement Award of \$500.

This year Helen Kasiloff from Caringbah High School received this award. Helen's artwork *Kopë capam* is a drawing using pencil on paper. We congratulate Helen and wish her all the best for the future.

Our annual Friends group art exhibition, *Friends on Show* in the Broadhurst Gallery will be on during Easter. I want to encourage all our artist Friends to enter and take the opportunity to have their artwork exhibited in a professional gallery. This is also a good opportunity to show your artwork to family and friends. Bring them along to the opening on Saturday 8th April, it's always a much-enjoyed Friends community event.

See you at Hazelhurst.

**Anne**

# From the Director

Dear Friends,

It has been such a delight to welcome the annual *ARTEXPRESS* exhibition back to Hazelhurst in 2023, the talent of the students and the calibre of their works is as impressive as always. *ARTEXPRESS* is always so popular with the community,

and it has been such a joy to see so many people in the gallery engaging with the exhibition. I highly recommend a visit if you haven't already been.

I hope many of you came along to our recent Art Fest Day on Sunday, 5 March, and perhaps even participated in the BIG PAINT OUT. To see so many people of all ages and all walks of life making art across the site embodied the Hazelhurst mantra that art is for everyone and fulfilled the Broadhurst's vision of Hazelhurst becoming a place for the whole community.

As we head into the cooler months, I encourage you to take up an art class or two. We are privileged to have welcomed several new teachers to the Hazelhurst family this year and have some exciting new classes for you to try including The Beauty of Charcoal: An Introduction, Collage with Wood & Objects, Collage & Mixed Media and Printmaking.

Finally, I would like to extend my heartfelt gratitude to all the Friends of Hazelhurst for the donation of 20 new, special studio tables for our Arts Centre. These are a welcome addition and the perfect finishing touch to our newly refreshed studios.

I look forward to seeing your works on display in the Friends on Show exhibition and hope to see you at the opening.

Cheers,

**Belinda Hanrahan**
